Last updated: March 17, 2020

This policy is a part of our [Terms of Use](#). By using any of WeBuy's services as a buyer, you are agreeing to this policy and our [Terms of Use](#).

1. PURCHASES ON WEBUY

WeBuy provides a platform allowing buyers to discover products and services ("Goods") they're interested in, and purchase them from sellers in their vicinity or in the vicinity of a location of their preference. However, WeBuy is not a part of that transaction. By shopping on WeBuy, you represent and warrant that you understand that:

- i. You are not buying any Goods directly from WeBuy, but from an independent seller whom you have initially engaged with via the WeBuy service.
- ii. WeBuy does not guarantee or endorse any seller, nor any Goods sold on by a seller, or any content posted by sellers.
- iii. Each WeBuy seller has its own processing times, shipping methods, and policies.
- iv. You assume all responsibility in dealing with a seller.
- v. Upon making a purchase from a seller on WeBuy, you agree that: you have read the Goods description and shop policies before making a purchase; that you have remitted payment for your purchase in accordance to the conditions of sale, and provided accurate shipping information to the seller.

If you have encountered an issue with your purchase (e.g. non-delivery, damaged or not as described Goods) please contact the seller directly for resolution.

If the case has not been resolved, you may report it to us for review, using the following email address: app.support@wby.io

WeBuy will review each report on a case by case basis, at WeBuy's sole discretion, and may or may not act upon your report or may not act as you expected. You hereby represent and warrant that you understand that WeBuy only provides this feature in an attempt to provide a safe and friendly environment for buyers, but under no circumstances will WeBuy have any liability with regard to a dispute between a buyer and a seller or in connection therewith.
